**SANTA CROCE IN FOSSABANDA catalogue 4/2002 PISA**  
**COMUNE DI MONTECATINI TERME 8/2002**

### **GREEK STORIES – Four stories**

Vassilis Karakatsanis from Athens, through his painting, opens a window on a reality still seen with enchanted eyes, in a sort of elegant neopurism which finds the principle at special construction in the certainty of the canvas. His windows, with solid, linear and chromatic divisions, disclose lights and volumes of intense poetry on minimum landscapes yet strongly evocative of metropolitan silence and solitude.
